DISCIPLINE

What is Full SBB?

- In Secondary schools **from 2024** onwards:

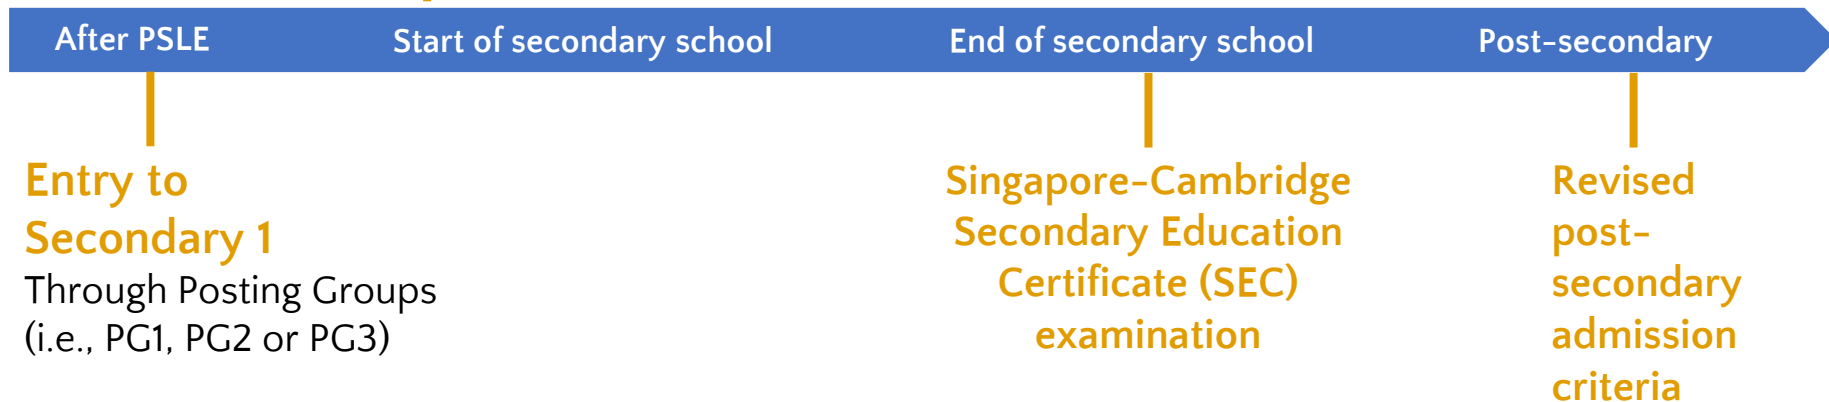

Express, Normal (Academic) and Normal(Technical) labels will be **removed**.

Students of **different backgrounds and academic abilities will be organised in the same form class.**

Overview of Full SBB (Starting 2024)

Secondary school experience

1. Mixed form classes upon entering secondary school (G1, G2, G3)
2. Common curriculum subjects at lower secondary
3. Subjects to be offered at G1, G2 or G3, mapped from the standards of the N(T), N(A) and Express subject levels respectively
4. Greater flexibility to offer subjects at various subject levels
5. Shift away from stream-based subject offerings

Posting Groups and Subject Levels

- Students will be posted to Secondary 1 through **three Posting Groups – Posting Group 1, 2, and 3.**
- **Posting Groups will only be used for:**
 - Facilitating entry into secondary school.
 - Guiding the subject levels students offer at the start of Secondary 1.
 - They do not define students' identities, nor influence learning experiences and access to post-secondary pathways.

PSLE Score	Posting Groups	Indicative level of most subjects at start of Secondary 1
4 – 20	PG3	G3
21 and 22	PG2 or PG3	G2 or G3
23 and 24	PG2	G2
25	PG1 or PG2	G1 or G2
26 – 30 (with AL 7 in EL and MA)	PG1	G1

Rationale of Full SBB

Full SBB aims for students to:

Have **greater ownership of their learning** according to their strengths, interests, abilities, talents and learning needs

Develop a **growth mindset and an intrinsic motivation** to learn for life

Have **more opportunities to interact with friends** of different strengths, interests, abilities and talents

Have **more options for post-secondary pathways**, while ensuring they have strong fundamentals and can thrive in their chosen pathway

What is Deyi Secondary School's involvement in Full SBB pilot and how is your child impacted?

Year
2020

Our school, Deyi, is one of the 28 schools offering Full SBB.

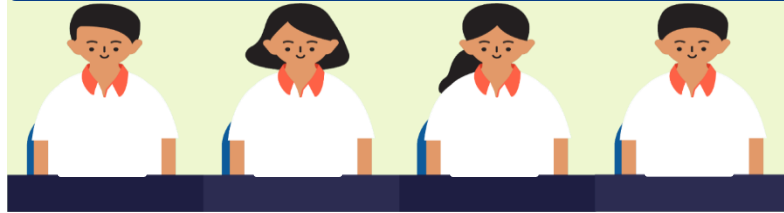

Year
2024

How has our school piloted Full SBB?

Implementing new ways of organising Sec 1 form classes

Art, CCE, Drama, D&T, FCE, Music & PE

Since the start of 2020, we have successfully **organised Sec 1 Form classes in new ways (with G1, G2 and G3 students)**. Students have interacted well with each other.

- They will take a set of subjects at a common level together for lower secondary Art, Character & Citizenship Education, Drama, Design & Technology, Food & Consumer Education, Music, and Physical Education.
- For all other subjects, they will be grouped in classes according to the **level at which they offer each subject, i.e. G1, G2 or G3.**

Mixed Form Classes in Lower Secondary

- Teachers in Full SBB Pilot schools observed an increase in students' interactions with peers from different streams and positive outcomes arising from these interactions.

"It was a new experience for me to stand in front of the class and lead, but I enjoyed it as my Form Teachers and classmates were very supportive. Because everyone in the class is different, I learnt the importance of communicating with everyone respectfully. I think I have also grown to be braver and more outspoken in the process."

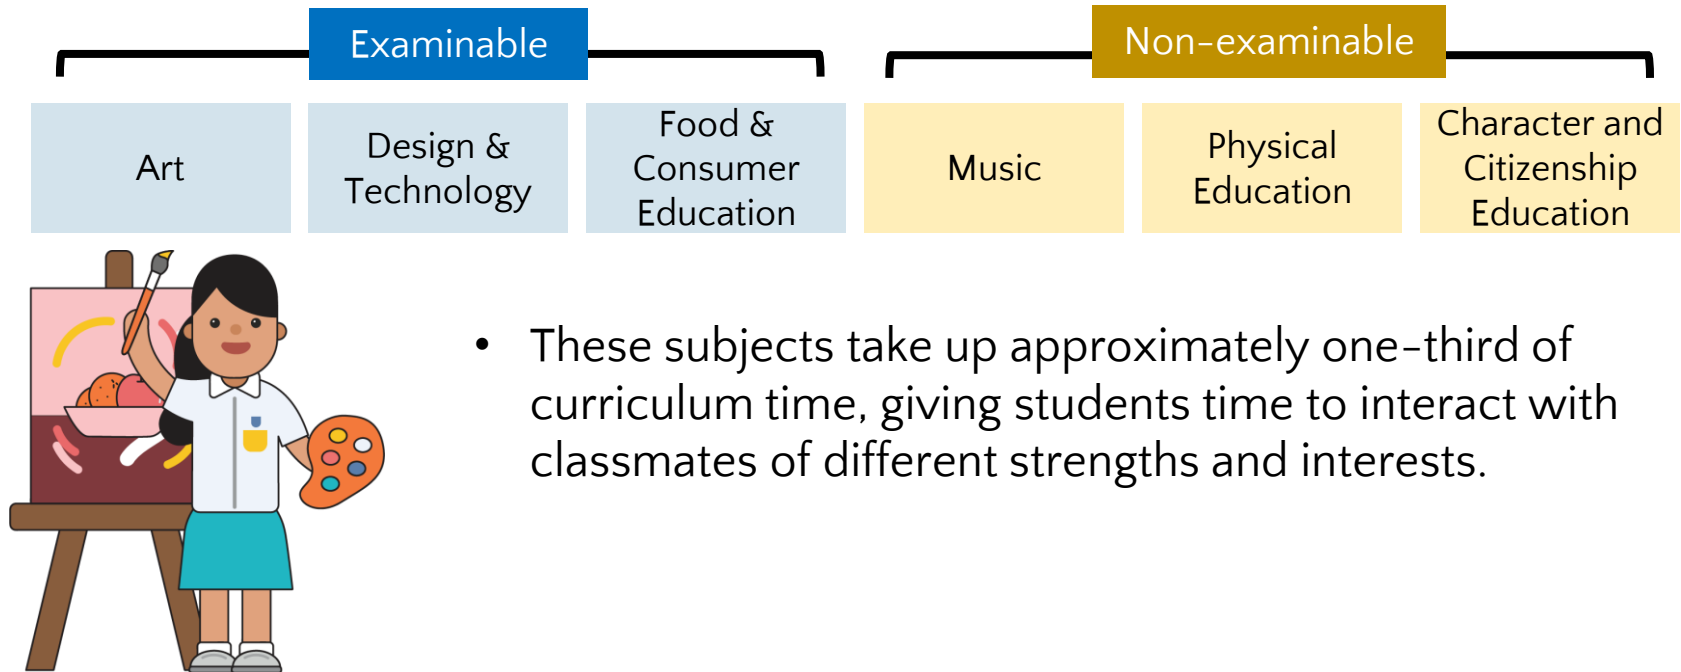

- Hazim, when he was in Sec 1

Hazim, when he was in Sec 3

Common Curriculum Subjects

- Students will take six common curriculum subjects with their form class classmates:

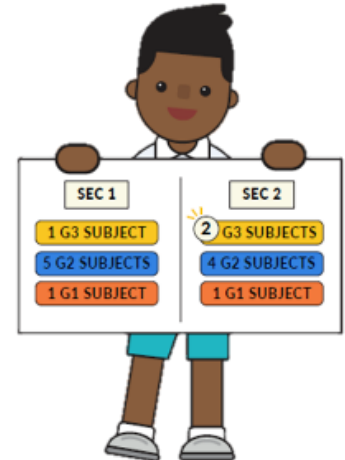

- These subjects take up approximately one-third of curriculum time, giving students time to interact with classmates of different strengths and interests.

Subject Levels (EL, Math, Science, MTL etc) under Full SBB

- Students are required to take compulsory subjects at G1, G2 or G3.
- Subject level at the start of Secondary 1 is based on their PSLE Score and indicated by Posting Groups.

PSLE Score	Posting Groups	Indicative level for most subjects at start of Secondary 1
4 – 20	PG3	G3
21 and 22	PG2 or PG3	G2 or G3
23 and 24	PG2	G2
25	PG1 or PG2	G1 or G2 ¹⁴
26 – 30 (with AL 7 in EL and MA)	PG1	G1

Offering Subjects at More Demanding Levels

- For **English Language, Mother Tongue Languages, Mathematics and/or Science**, students can offer them at the start of Secondary 1 at a more demanding level if they meet the eligibility criteria.

Eligibility criteria for English Language, Mathematics, Science, Mother Tongue Languages

Posting Group	PSLE Standard grade	PSLE Foundation grade	Option to offer subject at
PG2	AL 5 or better	-	G3
PG1	AL 5 or better	-	G2 / G3
	AL 6	AL A	G2
